Description

For your consideration is this wonderfully stylish English ladies handbag made from cord with a butterscotch coloured catalin bakelite clasp. This is a totally authentic bag in a wonderful Art Deco shape which dates to the late 1930s-1940s. The interior is lined in brown silk with an inner purse with chrome clasp and still with it's original mirror compartment pouch. Condition is as good as you could possibly hope for from a bag this age. It shows virtually no wear at all, it's certainly minimal and needs to be inspected closely to see anything at all and is free from any odour, even the chrome is sparkling and not tarnished, possibly a bag that's never been used. Ideal for daytime and evening. FREE UK MAINLAND DELIVERY
