Description

This VICTORIAN TOLEWARE SPICE BOX, raised on four, small ball feet, retains its original NUTMEG GRATER which slides between two metal channels, thus keeping the lids closed when not in use. The lids have their original painted names - Ginger, Cloves, Allspice, Cinnamon, Mace and Nutmegs. There are quite a few Nutmegs still inside. Apart from the obvious wear to the outside finish, the SPICE TIN is in good condition. Height: 2.5 inches (6.5 cm) Width: 6.75 inches (17 cm) Depth: 4.75 inches (12 cm) Delivery within the UK is included. We are happy to quote for Overseas Shipping on request.
