Description

A beautiful and elegant pair of antique side tables in mahogany, I would say these date from the 1920-30's period. They have beautiful inlaid flame mahogany tops, with floral marquetry and cross banding on the drawer fronts. The quality is lovely, with fine dovetailed drawers. These have a great design and are a perfect size to be used as end tables either side of a sofa. They are beautifully finished all around, and are designed to be used as free standing pieces. We have had these recently French polished, they are in great condition for their age. Width – 25 inches , 64 cm Depth – 15 inches , 38 cm Height – 19 inches , 49 cm
