Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The calibre 22a movement was the very first Automatic made by Longines and as you can see it's in fabulous like new condition. The dial has just been professionally restored to new condition with a starburst texture, half numerals and very unusual arrow head markers. The numerals and the arrow head markers are also solid rose gold. It has its original rose gold pumpkin crown, this watch was made before the introduction of the logo crowns. A new glass has been fitted and the case has been professionally polished. As you would expect the watch is fully marked on the dial, movement and case. It comes with its original box and we have fitted a new Longines rose gold buckle to finish it off. Its quite large at 36mm in diameter with a freshly serviced slimline 22a automatic movement with subseconds which keeps the profile low on the wrist. It comes complete with a new premium quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch h...
