Description

Good set of eight Georgian mahogany dining chairs comprising of a pair of arm chairs and 6 matching single chairs. Square tapered legs united by stretchers around the base, nice design bar backs with boxwood and ebony inlay and carved decoration. The arm chairs with reeded moulding to the arms. The chairs are all in good tight condition with nice clean fairly neutral upholstery. No major damage or repairs to any of them. They all need a really good sympathetic clean with reviver and a wax up as they are really dirty, just with years of use, so much so you can't really see the inlay in the backs. They will come up super though. Priced AS IS. If you want a fully restored price please inquire below. SIZES; The arm chairs are 21" wide, the single chairs are 20" wide. Seat heights are 20" for the arms and 19" for the singles. CIRCA; 1800 - 1810
