Description

Very nice 18th century two drawer solid mahogany side table. Square legs with chamfered inner edge, lovely shaped top and astragal moulding around the base of the carcass. The two drawers have cock beaded edges and are oak lined with pine bottoms with gorgeous original gilded brass handles. The table is probably Dutch in origin. The table is in very good condition and is a lovely mellow colour with waxed finish. Just a bit better than a normal run-of-the-mill side table. SIZE; 31" wide by 18" deep by 29" high CIRCA; 1780
