Description

A beautiful and fine looking antique mahogany coffee table, this dates from around the 1900-1910 period. It is unusual to find coffee tables of this design and age, it is extremely well made. We have had this French polished, it still retains a worn charm, with some old marks to be seen here and there on the top. It is solid mahogany throughout, the colour and grain patterns are rich and beautiful, the top has a large exposed knot which gives this even more character. The top has fine upturned corner pieces and this sits on a stretchered base, which gives it extra stability. Width – 41 inches , 104 cm Depth – 20 inches , 51 cm Height – 18 inches , 46 cm
