Description

A fabulous vintage French cocktail shaker made from silver plate sitting in its original presentation box that has protected the piece for many years, it looks to have been unused. The fabric on the interior of the lid is printed with the famous French goldsmiths, Orfèverie St. Medard of Paris. What makes this particularly sought after is the integral lemon squeezer or reamer into the top portion of the shaker always highly desirable. The underside is fully marked as per the photographs for St. Medard, Paris. Superb condition standing 8 1/2" x 4" in diameter. The box measuring 11" x 6" x 4 3/4" Item: 42193 FREE Worldwide Registered Airmail Directly From the UK
