Description

An antique 17th century carved oak side chair or high back hall chair with decorative carved top rail, blind panel back rest, hard recessed seat, raised on square and turned front legs, with turned front stretcher support, square back legs with straight stretchers. Features a couple of old blacksmith repairs to brace and support (pictured). Item Ref; M-1575 . DIMENSIONS: Height - 116cm / Width - 46cm / Depth - 41cm / Seat Height - 44cm .

CONDITION REPORT: In good antique condition throughout with some signs of age, wear, and historic repairs. General surface wear throughout with some losses in places along with some old blacksmith repairs; both are pictured. There is a metal brace to the front left hand side leg, and another metal brace to the back of the top rail. A reasonably solid chair with some slight movement in the joints. Some evidence of old historic wood worm in places - this is long gone and has been fully treated as a precaution. Our carpenter inspects, repairs, and restores all our items, so you can have full confidence that what you buy from us is home ready! Please take time to carefully look at all the photos as they form part of the description and cond...
