Description

A fine quality card table with beautiful burl walnut veneers to the top and apron. Solid mahogany carcase and small original mahogany drawer for counters and cards. . Very long cabriole legs with acanthus carved knees and terminating in large pad feet. The concertina action being the most expensive and attractive option for such tables, the back gate pulls out and the table top opens to rest on it, placing each leg at the corner and the table particularly robust and well balanced as a result (as opposed to a gate leg card table can be rather unstable when open). Interior opens to reveal four circular candlestands each with walnut crossbanded border and a biscuit coloured baize in excellent condition with very little wear and no marks. . Really good example in fine original condition. . Dimensions are: . Width is 37 inches, height is 30.5 inches and depth when folded is 20 inches. . Depth when open is 36 inches. . For metric please multiply by 2.5
