Description

This very interesting and appealing ANTIQUE OAK HUMIDOR, in the form of a RAILWAY COAL WAGON, dates from circa 1890. The BRASS undercarriage has working wheels for 'shunting' the Humidor up and down the Dining Table. Lifting the coal-covered lid reveals the divided compartment for storing cigars and cigarettes. The faux coal is a replacement. The condition is of the Humidor is good. Height: 6.25 inches (16 cm) Length: 13 inches (33 cm) Width: 6.75 inches (17 cm) Delivery within the UK is included. We are happy to quote for Overseas Shipping on request.
