**Sold**

**Item Reference: SA760787**

**Date of manufacture: 1860**

Dimensions

Height = 77 cm (30.3")

Width = 33 cm (13.0")

## Description

I am sure you can see, from the images that accompany this text, what drew me to this charming walnut wine table or candle stand. It was because of its original condition, great colour, untouched surface and wonderful patina - the finely turned stem and base shows this perfectly, with only the high points being buffed over its life time. So its a particularly good attractive example, and aesthetically very pleasing.
