Description

This beautiful suzani was embroidered in the city of Uratube in Uzbekistan. Uratube suzanis are known for their exuberant designs. This is no exception. Small fan-like leaves in shades of fuschia decorate both the field and the border in a kaleidoscope of colour. Note too a very lovely and unusual amber. Cherished through the generations, this piece has survived very well. Minor losses to the embroidery in the corners. Minor areas of re-embroidering. Generally very good condition. Relined
