Description

A fine quality brass lamp with the original weighted base and a registration mark at the base of the column dating it to 1923-1924 - see photo 3. It is 31cm in height, the felt covered base is 11.5cm in diameter and it weighs approximately 1.1kgs. It was rewired by the previous owner and due to the closure of our electricians we have been unable to have an up to date PAT test. To comply with UK regulations this should be done before use. Postage and packing for the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
