Description

A rare Victorian fireside suite in brass having claw & ball finials and features comprising a hearth kerb, pair of andirons (also called fire dogs) together with set of three matching fire tools. Stunning unusual design of character, the hearth kerb has raised front & side protection bars on claw & ball grips, fire tools have claw & ball finial ends whilst the tripod form andirons each have a claw & ball finial. Each andirons is 30cm tall, 20cm wide & 22cm deep. Hearth kerb measures 122cm x 30cm internally. External kerb measurements are 133.5cm wide, 36cm deep and 16.5cm tall.
