Description

A fine quality Art Deco burr walnut four door wardrobe. To the left hand side a fully fitted interior, with numerous drawers and glass fronted compartments, including a secret locked drawer. The right hand section has twin pull forward hanging rails and the original mirror to the inside door. The base is fitted with shoe rails on one side and a further two drawers on the other. In the centre section is a pull out rail to hang selected clothes to wear. The pull out rail has the matching red and chrome handle, found also on each of the four doors. Superb veneering not only to the exterior, but to the interior doors also. This item has been professionally polished and restored where necessary. Unfortunately the main photograph doesn't do the wardrobe justice. A matching smaller wardrobe and a dressing table is also available. The internal width of each of the two wardrobe compartments is 90cm.
