Description

A fabulous bronze horse and rider set on a naturalistic base. The detail is extraordinary and very pleasing to the eye. When we say "huge" it really is. Please see photos where Bailey, our spaniel, offered to pose to demonstrate the impressive size. There are no markings, however our business is not far from Newmarket Racecourse so it's possible that it was commissioned to celebrate a special horse and rider by an owner/trainer. It would make quite a statement as a decorating piece. Height: 91cm Width: 97cm The base measures : 67 X 24 It weighs just under 30 kgs Payment by bank transfer or PayPal. We could deliver ourselves within 100 miles or so or come to another arrangement.
