Description

A fine Victorian cathedral skeleton clock, inspired by York minster. The eight day twin Fusee movement striking the hours on a gong, and the half hours on a bell. The hours can be repeated by pulling a cord. This clock is in fine and untampered original condition with everything as it should be. It has recently been fully serviced. The clock is displayed in a glass cabinet which gives this spectacular clock the look of a museum piece. Standing 60cm high to the bell spire. Complete with the original rod pendulum, a precision spirit level, cleaning brush, and winder. We can arrange shipping to any destination for further clocks of interest you are welcome to visit our website www.frankcraigantiques.com
