Price

Sold

Item Reference: SA763691

Date of manufacture: Georgian

Dimensions

Height = 124.5 cm (49.0")

Width = 61.5 cm (24.2")

Description

A handsome George II carved giltwood mirror in the rococo taste; the original mirror plate set within a giltwood frame carved with C scrolls, rocaille and bullrushes all of which are classic elements of rococo vocabulary. This mirror's frame is carved with a real sense of shape and movement. Circa 1740

Internal Ref: BA638
