Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the Seamaster with the fully automatic calibre 501 movement. The two tone dial is in mint condition having been fully restored and it has faceted baguette hour markers which really does make this watch stand out. The Omega symbol is on the crown, it has a genuine Omega buckle and it is fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. The watch case measures 34mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers part...
