Description

A pair of antique Victorian sterling silver candlesticks which have square loaded bases and tall columns with detachable nozzles. These attractive silver candlesticks have been designed in the "Adams" style with rams heads, bows, garlands, leaves and urns. There is also a simple row of bead detailing around the bases and the detachable nozzles. These silver candlesticks have been well cared for over the years and would be perfect to use in the dining room. They were hallmarked in London for 1891 by Martin Hall & Co. and remain in excellent condition. Complimentary worldwide postage with insurance is included within the price of these candlesticks.
