Description

An antique gun metal Omega pocket watch 1914. The watch has a stem-winding movement which is working nicely. The movement is signed Omega and has the serial number 4396323 which dates the watch to around 1914. The movement is protected by an inner hinged cover. The watch measures 47mm diameter excluding the winding stem and the loop. The gun metal case is in good condition and has brass embellishments. The case has light surface marking from use but overall it is in nice condition for an early 1910s piece. The watch glass is in nice condition. The white enamel dial is signed Omega with the Omega logo above. The dial has an old repair to the outer edge between 12 & 1 o'clock. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
