Description

Antique French carved walnut framed salon armchair in good original condition. It's structurally sound & the upholstery is still okay, although I think the seat springs need a bit of attention. We do normally recover upholstered furniture, but this one seems okay & I think the fabric compliments the chair. It's hard to date exactly, but this chair is probably from the 1850-60's period, although it may be older. The carvings & other features in the wood are very fine quality. Please enlarge all the images to see all beautiful the features, which I couldn't possibly all mention. Width - 27 inches, 69 cm Depth - 23 inches, 59 cm Height - 36 inches, 92 cm Seat height - 16 inches, 40 cm
