Description

Charming primitive rootwood topped all wooden Country stool. Lovely shape rootwood top with tight curly grain. Three legs which are either ash or hickory, it is hard to tell for sure which are very nicely hand shaped. It is hard to date accurately, it could well be 19th century but I have listed it as early 20th century to be on the safe side. Nice colour with waxed finish. Lovely country item. SIZE; 15" by 11" by 15" high CIRCA; 1900 - 1920
