Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The Longines 30L 17 jewel movement is regarded as one of the best and most reliable manual wind movements ever made, a beautiful piece of engineering. The fully restored sub seconds dial is in superb condition. It has its original Longines winding crown. It has just been professionally serviced and a new glass has been fitted. The heavy solid stainless steel case has been professionally polished so is pristine. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a brand new quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and probably the best of this model we have ever come across and highly sought after by collectors. The watch has been fully serviced. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its comp...
