Description

This is a superb example of a classic wristwatch made by the world renowned maker Universal. It has a solid 18ct yellow gold case and this is complimented by the lovely design on the integral bracelet which really does catch the light. The dial is in mint unmarked condition. The dial measures 33mm in diameter excluding the winding crown. It will fit a maximum wrist size of 7.25 inches or 180mm. It also comes with its original box and paperwork. As you would expect from Universal the watch is fully marked on the dial and case. It has a manual winding movement. This is exceptional and looks as though it has been kept in a box its whole life and never worn, a rare find indeed and a superb super slim dress watch. It is rare to find such a watch in this immaculate condition. Universal are one of the most exclusive makers and this watch certainly has that understated elegance which resonates class. The watch has just been fully serviced and is guaranteed to be a genuine Universal in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is ...
