Description

Circa 1900-1920 a pair of finely detailed brass candlesticks by the Birmingham manufacturers Wm Tonks, with their initials on the base with their trademark star, indicating the period 1900. There is also a design number on the inside of one foot - see last photo. The candlesticks measure 22.5cm in height and the base is approximately 10cm square. The pierce work on the brass is excellent with a lot of details throughout, and both candlesticks are in very good condition. They have been professionally polished but not lacquered. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.
