The case is 10ct gold plated and it is in lovely condition. The front cover has a small lens surrounded by enamel filled Roman numerals. The winding crown pushes in to open the front cover. Inside, the glass lens is in nice condition. The dial is signed Waltham U.S.A. The dial has several very faint hairline cracks between 10 & 12 o'clock to the outer edge although not noticeable but otherwise it is in nice condition. The watch has blued steel hands, including the special half hunter hour hand. The watch will be sent in a new presentation box.
