Description

This is a beautiful 19th century French sofa. Great quality mahogany frame with carved details and reeded legs. The buttoned details combined with the elegant frame give this a very handsome style that would sit well in any room and will look superb when upholstered. The back rests have removable carved handles. I prefer it without them but they are included should you like them. Measurements Height 103cm Width 169cm Depth 76cm Depth of seat 51cm Height of seat 43cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 9 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday.
