Description

This is a very elegant 18th century English oak chest on stand. The tall cabriole legs are fabulous and really give this piece a stylish look that even though it is old brown furniture would work in a whole host of modern and traditional spaces. Original brass drawer handles and all drawers are real and run smoothly. No faults or major issues. The piece does break into two as well which makes it easier to move around. Height 162cm Width 100cm Depth 54cm. Price Includes UK mainland delivery.
