Description

This is a fabulous quality set of Mahogany drawers. They date to the late 18th century and have beautiful inlaid detail. The condition overall is very good with only minor marks consistent with age and use. All the drawers retain their original brass handles and run smoothly. For me the styled front legs give this a real elegance that even though its a brown piece of furniture it would sit well in a number of spaces. Height 110cm Width 112cm Depth 52cm
