Description

This is a great piece of early Belgian furniture. dates to the late 17th early 18th century. Made from oak and totally untouched. This was most likely a kitchen prep table or serving table. The condition overall is very good with only minor marks consistent with age and use. The wear to the stretchers is so attractive and gives this piece a real charm. The drawers open and shut easily and have attractive brass pulls. Sits perfectly as well. Height 76cm Length 130cm Depth 72cm Price Includes UK mainland delivery
