Description

Fine antique English Whieldon Creamware press moulded Plate, Circa 1760. A satisfying and classic eighteenth century English ceramic design. The silver shaped plate with gadrooned edge, the face splashed with mottled coloured glazes of deep green, blue grey and brown 'tortoise-shell' design applied over a creamy yellow coloured ground. The back of the plate with brown 'tortoiseshell' over the cream ground. A very good early plate with crisp sharp press moulded rim. In excellent bright condition with no damage or repair. 9,1/2" or 240mm diameter, weight 360 grams
