Description

A lovely Austro-Hungarian pendant almost as pretty on the back as on the front! Decorated with laurel leaf and bow motifs set into silver and studded with purple and blue faceted stones around a central baroque pearl dangle. The necklace includes the sterling silver chain photographed. Overall in very good antique condition; there is a tiny chip in one of the purple stones and some of the claws are missing from the top blue stone but you have to look very hard under magnification to find these flaws and they don't affect the wearability of the piece. Size: 4.5cm total drop x 2cm wide. Chain length: 18 inches. Total weight: 4.2g. FREE INTERNATIONAL SHIPPING!
