Depth = 66 cm (26.0")

Description

Antique Burmese Davenport This Antique Burmese Davenport was made circa 1870 for a European family living in India. The example we offer here is a superior model, large in proportions and the carving better than the usual ones you may see elsewhere. The solid teak Antique Burmese Davenport is fully carved and quite magnificent. A door to the side opens to reveal 4 drawers in the interior, that have flush brass handles much like you find on military chests of the period. The writing slope lifts to reveal a storage space and small drawers To the front to each side of the kneehole are a pair of carved legs with mythical birds running down to the feet of a mythical beast. 63cms wide 25ins 66cms deep 26ins 102cms high 40ins to top of rear upstand. All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. Delivery We can arrange free delivery to UK mainland; we also have a reliable and good delivery service for single or multiple items to Ireland. We can also obtain a quote for items to be shipped overseas. This Antique Burmese Davenport is a very green product and has not damaged our environment. Guarantee This An...
