Description

17th Century Italian Architectural Drawing Palazzo del Podesta. It was built around 1200 as the seat of the local Podesta which is the name given to the holder of the highest Civil Office. A striking and decorative drawing of BAROQUE ARCHITECTURAL DESIGN, originating from one Italian practice around 1700. Please call or email me if you would like any more information and take a look at my other interesting items as I do have seven other Italian 17th Century Pen & Ink drawings.
