Description

An attractive bamboo table dating from the late 19th century with an octagonal top. It is made of bamboo with a tightly woven rattan top and shelf. It is well made and in good condition for its age. There are normal signs of age and use and some slight wear and staining to the rattan but no major damages and the table is strong and sturdy. It has been gently cleaned and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
