Description

Professionally serviced with a 12 month warranty. Outstanding International Watch Company gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. It has the legendary calibre 8531 fully automatic movement which is regarded as the finest automatic ever made and known as the watchmakers watch, as you can see is in superb condition. The dial is in mint condition having been fully restored and is rare in as much as it has the inboard date window. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 35mm in diameter not including the crown. It can be supplied with a leather strap of any colour or style. The watch has just been fully serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under high magnification for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is t...
