Description

Pair Antique large painted wall panels This pair of large Antique painted wall panels were situated in an important large residence in the Netherlands in the late 18th to early 19thc. The 18thc hand woven canvass with the scenes painted to each of exotic animals to one and animals that could be found closer to home on the other. It must be stressed that the artist must have travelled to be able to get these animals so well painted and so these were important in the day and not done by an amateur. If you have a large space that needs something amazing hung then this must be it. These are unique and so makes them remarkably interesting for your home, as I suspect you are only likely to see such items in museums or stately homes 220cms high 86 1/2ins 100cms wide 39 1/2ins 3cms deep 1 1/2ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. Delivery We can arrange free delivery to UK mainland; we also have a reliable and good delivery service for single or multiple items to Ireland. We can also obtain a quote for items to be shipped overseas. This Pair of Georgian style leather wing chairs is a very green pro...
