Description

17th Century Baroque Italian Architectural Church Pen & Ink and grey wash drawing of a Front elevation of the west facade of an Italianate church, with statues of pilgrim saints in niches to the side of the entrance and saints with musical instruments on the roof pillars, with a ground-plan of the portico below, on paper. The paper does have a watermark which I cannot read. A striking and decorative drawing of BAROQUE ARCHITECTURAL DESIGN, originating from one Italian practice around 1700. I do have seven others please call or email me if you would like more information. Many thanks Karen 07866 475069
