A smart and stylish antique Victorian period writing table in mahogany. This dates from around the 1880-1900 period. It is of lovely quality and the mahogany has a beautiful light colour tone. There are nicely turned legs, original brass handles, and the back is nicely finished too, so this can be used as a free standing item. We have had the top re-leathered and hand coloured, this has also recently been French polished; it is in great condition for its age.
