Description

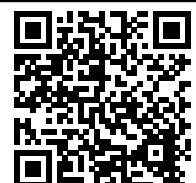

A beautifully proportioned George III mahogany chest of drawers with oak lined graduated drawers. The original handles and escutcheon plates on this Georgian chest are particularly decorative and the colour and patination superb. Minor historic restorations to the top, these have been very well done and are very difficult to see without close examination, and do not detract from the beauty of the piece. The colour, size original handles and escutcheons make this a very appealing piece of Georgian furniture. c.1760 Width: 30" (77cm) Depth: 17.75" (44cm) Height: 31" (79cm)
