Description

For your consideration is this very charming and totally authentic early 1930's Art Deco fairly girl hat pin holder. Part of the half doll, pin cushion doll family this beautiful figure is an absolute delight and quite a rarity. Wonderful colouring to her soft red slip on dress to her delicately painted facial features and rosy cheeks. She sits on a rock with open holes to house hat pins. She's in great condition and free from any damage to include restoration old or new, cracks, hairlines, chips etc. Originally these figures were given out at local fun fairs, seaside resorts as souvenirs and general gifts. Still today though the better examples such as this one aren't easy to source and so we were delighted to have found this one. FREE delivery within the UK.
