Description

Gents 1940s Yeoman wrist watch. The watch has a hand-winding movement which is working nicely. The watch measures 31mm diameter excluding the winding crown and the lugs so it would suit a slimmer wrist. The case is stainless steel and it is in good condition, just some light marking to the back of the watch. The lens is in lovely condition. The dial is signed Yeoman, a brand name registered by Adie Brothers of Birmingham in 1929. It is in its original finish with original hands, subsidiary seconds dial and inner minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
