Description

A beautiful antique mahogany chest of drawers dating from the 19th Century. The drawers have their original turned wooden knobs and the chest stands on bracket feet with nice reeded moulding around the top edge and base. They are in good condition for their age. There are some repairs to old chips around the drawers and some old ink stains on the top and general signs of age and use but nothing detrimental. The drawers are clean and tidy inside and all open well. The back is sturdy and it is a good solid chest of drawers that display beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
