Description

A Victorian cast iron adjustable patent work table, with crank action height adjuster and locking ratchet, the rotating oak top operated by a cast iron wheel, upon a quatrefoil base with porcelain and brass castors. The ratchet case cast 'Patent' and with gilt decoration. It has some light restoration with re-polished oak top. Would make a great lamp table. The height is adjustable between 70cm and 95cm, and the top measures 61cm x 46cm.
