Description

A stylish antique Victorian brass helmet coal scuttle dating from circa 1890 by William Soutter & Sons of Birmingham. With swing top handle and shaped side handle standing on a dome base and stamped underneath with makers mark. William Soutter & Sons were founded in Birmingham in the 19th century. Originally brass founders and plumbers (1870s), they began producing quality copper and brass art metal hollowware in the late 19th century. The 'Soutterware' mark and distinctive S&S stamp can be found under their jardinières, coal scuttles and kettles of the late 19th to early 20th century. Construction: Brass Condition Report: Good condition with scuffs, wear and marks commensurate with age. Dimensions: Width: 31cm Depth: 45cm Height to Front: 34cm Height to Handle: 50cm
