Description

A wonderful antique mahogany bow fronted chest of drawers from the early Victorian period. This dates from around 1840-50. The quality is superb, with reeded top and bottom edges and beautifully turned handles and feet. The drawers are solid wood lined, with fine dovetails and all the drawers run smoothly. This has a gorgeous colour and patina, we have had it revived & polished, the condition is excellent for its age. There are just a few marks here and there remaining beneath the polish, commensurate for age. Width – 43 inches , 109 cm Depth – 24 inches , 61 cm Height – 41 inches , 104 cm
