Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct yellow gold case and is fitted to an unusual solid 18ct gold design bracelet with decorative shoulders which simply glides around the wrist and really shines when you catch it in the light. The original dial is in mint condition and just stunning with gilt hands and baton markers and what really makes this watch stand out is the facet cut sapphire glass. It has the Omega logo on the winding crown and three position safety clasp. It has the calibre 483 manual winding movement. It will fit a maximum wrist size of 17.5cms or 7 inches but this can easily be reduced by any competent jeweller and it has a double safety clasp. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 18mm in diameter not i...
