Description

Superior early 19th century George 3rd mahogany shallow 'D' shaped fold over tea table in very good condition. This really is a very nice example. The top is inlaid with a boxwood and ebony line, cross banded and then with a larger boxwood line around the edge. The top is perfectly flat and has no splits at all. The table stands on slightly tapering square legs with moulded fronts, spade feet and a carved decoration to the top. The carcass frieze is cross grain veneered with an astragal moulding around the bottom edge. The table is in very good original condition but does require very minor boxwood line repair to the top which is included in the price. The outside of the table is a gorgeous faded colour with waxed finish. When opened up it is a darker inside as it has obviously stood closed most of its life. This is one of the nicest D shaped Georgian tea tables I have had in stock for quite some time. SIZE; 39" wide by 17 1/2" deep by 29" high CIRCA; 1800 - 1820
